UNITED STATES DISTRICT COURT  
DISTRICT OF NEW JERSEY

UNITED STATES OF AMERICA

v.

AHNUAR BANDY

Honorable Brian Martinotti

Crim. No.

**EXHIBIT TO ORDER REGARDING USE  
OF VIDEO  
CONFERENCING/TELECONFERENCING  
FOR FELONY PLEAS AND/OR  
SENTENCINGS**

The Court finds that the change of plea hearing to be held on March 31, 2022 cannot be further delayed without serious harm to the interests of justice, for the following reasons:

1. To ensure that the Court is not overwhelmed by cases and proceedings at the conclusion of this period of emergency. Currently, District Judges in New Jersey handle a substantially larger docket of cases than Judges in other Districts in the United States. New criminal cases continue to be assigned by the Court during the emergency. If the Court cannot resolve matters by guilty plea and sentencing, the resulting backlog will overwhelm the Court's ability to effectively function.
2. To permit the defendant to obtain a speedy resolution of his case through an admission of guilt, and timely sentencing to afford appropriate punishment and rehabilitation. The defendant has asked for this case to be resolved today by guilty plea and for a subsequent timely sentencing. The Court is expected to have a substantial backlog of cases on its docket at the conclusion of this period of emergency. At this time, the Court cannot accurately predict where the defendant's case will be prioritized within that backlogged docket. As a result, the defendant's interest in a speedy resolution of his case will be seriously harmed if the proceeding does not occur today.
3. To permit the Government to obtain a resolution of the case so that the Government, already operating in a restricted capacity due to the emergency, may appropriately focus its resources on other, emerging

criminal matters. The Government has asked for this case to be resolved today by guilty plea and for a subsequent timely sentencing.

4. To obtain a resolution to the case prior to the end of the time afforded the Government to prosecute such case under the Speedy Trial Act.
